“ Our first memory of Gene was with he and Doris at Good Shepherd Presbyterian. We happened to sit by them and what a warm greeting they gave us. We became fast and lasting friends because of their loving acceptance of us Midwestern newcomers! we will ALWAYS be grateful for Gene and Doris, forever friends!!

*I treasure the time I spent with a fellow rock hound . Gene took me to places i never would have known except for him . We also found a few golf balls prior to his becoming a marshal on the golf course . Farewell old friend .*
