“ *We will always hold Evelyn in the highest regard, not only because she sold us our forever home 28 years ago, and every year since remembered us at Christmas time with her photographic realtor calendars, but because this beautiful home was in her ward in Bloomington, and she made us feel needed and "at home" here!*

*We were unable to attend the funeral in person, but participated via zoom, and felt the spirit of the Lord, the love of her wonderful family, and were so grateful to have Kassie Christensen so perfectly represent Evelyn's friends and the Bloomington 3rd Ward.*

*Evelyn was....and still is....a grand lady, and has been such a wonderful blessing to so many. Surely she made a masterpiece of her life!*

*All our love and best wishes to the family during this difficult time of loss.*
