“ Hello my Love I went to the cemetery. Today. To visit. I cried and remembered what you said when we first got together if I didn't. get anything out of our relationship. I would know what is. like to be truly. Loved but I never knew Love could hurt so bad now I know it dose I called the funeral. Home today to find out when they are going to put your date of your death on your tombstone. They ask me who I was I said I was your Wife they said you were burried. by your Wife I told them yes but you got remarried they said they did not even know that so what is new I was not even mentioned. In your obituary. Your kids put in the newspaper but I did not think I would be in the first place. Oh well those Kids can't take my Love away from Me even one has tried to but I promise. You that will never happen because I will Love You unroll I take my last breath. I Love You unconditionally. & Forever Love your Loving Wife Ronda Low.
