

Gail Gubler Earl

March 30, 1944 - January 4, 2023

Gail Gubler Earl was born on March 30th, 1944, in La Verkin Utah to Joseph Edward Gubler Jr. and Thora Wilson. She was the Youngest of 7 children.

She Married Boyd Jay Earl on November 25, 1964, in the St. George Temple. They were the parents of 7 Children.

Gail was a loving and dedicated mother. All of her time and efforts went into teaching and raising her children. With seven children sometimes that time was hard to find, but each of her children knew without a doubt that they were the most important thing to her, and that she loved them deeply.

She made friends easily and was a true friend. She was constantly looking for ways to serve others. Oftentimes she would see a need and provide service even before people recognized their need. She truly exemplified the teachings of Jesus Christ by loving her fellow man.

Gail served faithfully in all of her church callings. She held many church callings throughout the years. The calling didn't matter to her, her focus was to simply magnify her calling and serve her fellow man. She was an answer to many people's prayers.

Her favorite hobbies were traveling, playing the piano and making quilts. She

touched the lives of many through teaching the piano and the love of music to many. She loved her students deeply and gained tremendous pride in seeing them find their own love for music. Visiting her home was a joy as the home was filled with music. She would spend hours playing the piano for her husband, her family and just for her own love of music.

She is survived by her family consisting of Darren Earl (Carmel Ann), Terry Earl (Linda), Brett Earl (Jennie), Justin Earl (Alyssa), Kandace Booth (Trevis), Stacha Westbrook (Justin), along with her grandchildren and great grandchildren.

She was preceded in death by her parents Joseph Edward Gubler Jr. and Thora Wilson. Her Brothers, Lyman Gubler, Thell Gubler and Edward Gubler. Her Sisters, Faun Eves, Ramona Gifford, and Helen Squire. However, she is most excited to reunite with her husband Boyd Jay Earl, who also preceded her in death.

She passed from this life January 4th, 2023, and traveled to meet those who preceded her in death with her daughter Tausha (Earl) Haight, and Tausha's five children Macie (17), Briley (12), Ammon (7), Sienna (7), and Gavin (4).

Services for Gail, Tausha and her children will be held January 13th, 2023, at the La Verkin Stake Center 481 N Main St, La Verkin Utah 84745 at 10:00 am MST.

Overflow will be sent to the La Verkin West Chapel located at 70 S 300 W, La Verkin, Utah 84745.

“ I have many fond memories of Gail. She was always such a kind and pleasant lady. Even when she knew I hadn't practiced my piano. I remember her, my mom and Sheryl serving in Relief Society together and going to their friend lunches. It was so wonderful to see her when we went into the Darren's dentist office. We are heartbroken, but know that she is with her husband, daughter, grandchildren and many other loved ones at this time. We send our deepest condolences to the Earls and the Gubler's. Much love from the Neil and Colleen Hardy family.

Gail served as the Stake Relief Society President for the Nevada Logandale Stake. I served as her ward R.S. President at the same time and we became dear friends. She also taught my children piano lessons. Gail was forever kind and gracious. She sent me a very tender letter after our son passed away on his mission while serving in Romania.

Gail brought so much goodness with her wherever she went and joy to all she served. Much love, Larry and Donna Davis Family.

“ I don't remember ever seeing Gail without a beautiful, radiant smile! She is a joy! I always loved to claim her as family, as that's how she treated me, and all who came in contact with her. Gail is kind, sweet, cheerful, loving, generous, and fun. Her love, example, and light will continue to burn bright in the hearts of all who were blessed to know or cross paths with her.

“ I enjoyed my brief piano lessons with Gail. It was a great experience to enjoy the feeling of the family home. Please know of my love and respect for you all at this time. I figure with the Gubler’s alone, you’ll have a full Stake Center. It’s a blessing to view it online. Know we grieve with and for you.

There’s no words to convey the sadness in my heart for all of you. Gail was and is, such an Angel. Her beauty radiated from the inside out. Her cute Momma looked just like my grandma and we always talked about that. May our Saviors loving arms give you peace and healing until that glorious day we understand all things. Love, Becky Wheeler Hugs:(

Gail has had such a lasting influence on so many, including the Snow family. She cared about each of us and was patient and encouraging when it came to teaching us music. At a time when she was a young mother of 4 active and adventurous boys, I remember the efforts she made to keep a tidy and welcoming home. I always felt a clam spirit in her home while spending time with her at her piano and appreciated her interest in me as a person. It was a delight watching her perform at church and community events. I have a great admiration for Gail and appreciated Boyd and the hours of thoughtful service he gave our family as our home teacher and the many treats Gail would send our way. We love the Earl Family and the friendships made growing up in LaVerkin together. What we learned from Gail will forever live on in our hearts. She is truly a beautiful soul! Sending our love to your family at this time - the Snow family.
