“ Dear George and sister, Mary,
I just want to tell you how much I love your beautiful Gail. She has been a joy to know and be around for the many years I have been blessed to associate with her. We share our deep love for our Savior, Jesus Christ. I am happy that she is with Him now.

Gail invited me to a Christmas Contada which she was singing a solo in. I was honored that she would like to have me be there to watch her sing. I believe she is singing in a heavenly choir now, with loved ones, family and friends who have gone before. What a celebration they must be having in honor of her returning home to our Heavenly Father and His son, Jesus Christ! I hope we are all able to join her there in a distant future.

George, God bless you as you grieve this temporary separation. I'm sorry I wasn't able to attend her service today. I was at SunRiver teaching my classes, but thought about the special tribute she was receiving there. I am so grateful that I was able to see her in the hospital last week. I had no idea she was so near leaving us. I am so sorry you didn't have enough time with her here. May you feel some peace and comfort knowing how blessed each of us are to have shared a small piece of her sweet spirit.

Mary, I don't know you, but want you to know how much I love your sister. I enjoyed seeing her in water aerobics for many years, and in other classes as well. She always brought so much love with her everyday. That is a gift I will treasure always. I know how it feels to lose a sister. I lost mine to Breast Cancer several years ago. Your heart hurts and it takes so long to feel normal again without her here. (I hope our sisters find each other and will share some wonderful heavenly experiences together.)

God bless you both.

Sincerely,

Joan Langston (Joanie)
