“ Did not know Gladys but she must have been a grand lady to have raised Dorothy Engelman who has turned out to be such an inspirational leader to many in this community. Sincere condolences to the whole family as they work through this loss.

“ I knew Gladys my whole life, she and my mother Edith were the best of friends, and worked together when they were in their early 20's. Gladys and Bud and Dorothy and Diane were at our farm a lot, and they've always been a wonderful part of my life. May Gladys rest well now with Bud, she has earned it, and may Dorothy and Diane always treasure their memories of having such wonderful parents! Much love to you both.

“ My sympathies to Gladys family. I had the pleasure of working with Gladys for many years when she was a precinct chairman for the City of Rochester Hills. She was very kind, patient, and caring. She also helped me out with all my sewing needs - great seamstress. Thoughts are with you during this time.
