“ Your mom was always so gracious. When I was just learning to be a dental assistant I tried taking X-rays of your dads teeth didn't work very well. She acted like it was his fault not mine. So sweet.

“ The family was always bonded together in what they did especially Dirt Bike riding. She was a lovely lady inside and out and I am glad I was able to have been around such a beautiful family. My heart goes out to you and know what it is like to have a mother battle cancer. Memories are the best thing to hold on to and the love of a wonderful family. Kathleen Hacker Thomson

Was so happy to have known this wonderful lady. She would always give us rides to different events when we were not old enough to drive. God bless.
