“ Henry Pape was a very nice friend of mine way back in the 1956 to 1960 while we were stationed on the Texas Tower duty off the Massachusetts coast, He was a very nice man even up to the time he was running the group for many years until now.

“ I am so sorry for your loss. May the fond memories of the times you shared bring you comfort and peace during this most difficult of times. We can look forward to the time mentioned at Isaiah 25:8, where it says God will wipe away our tears and swallow up death forever. My deepest sympathy to you all.

“ Henry was a great spark and ongoing supporter of Tower activities - while i was only on TT3 for the last three months prior to its decommissioning those who had been there earlier seemed always to recognize him as a really involved member of the Tower Community. I discovered just how dedicated he was in the later years of keeping the Community together. My sincere condolences, Ed Fuge, Maj., USAF (Ret.)

“ Henry helped me shape and grow my insurance book of business to what it is today. He along with David Macmillan have shared an office together for the past 15 years until he retired and moved to St George with Rose. I will always remember his humor and stories of his life and experiences that he had shared over the years. He loved Rose and his family dearly. He will be missed but not forgotten. May God bless you and your family at this time.
