“ My name is Rudi and I met Lee about a year ago. We became good friends and he introduced me to his daughter Sherry. I wish to extend condolences to Sherry and her family and the rest of Lee's children. If possible I would like to have more details surrounding Lee's passing; he was a great guy to get to know. Thanks, and again my condolences. Rudi; 720-261-6281. afternoons preferable.

“ Lee was one of the sweetest men i've ever had the honor of knowing. I met Vel and Lee through the Patriot Guard Riders of Utah and they quickly became family. I remember going up as a group and working on their yard in Bountiful and helping Vel with chores around the house. She loved to tease me.. and I miss her. Lee always handled things with a smile. I rememver the day that he and Vel were honored at the Ride for the Fallen at Timpanogas HD. He had the biggest grin on his face when he put that bandanna on! He will definitely be missed! I'm sure Vel and Robbie and Ben were there to greet him with open arms. ❤️
