*My Godson, It was such a blessing 33 years ago when your Mom & Dad chose me to be your Nina. I could write a whole library if I could about how much love, laughter, your goofy ways which made all of us laugh and smile endlessly. You always followed your heart! Remember that time we flew you home from Hawaii? You had so many adventures! I love you with all my heart & soul. My heart will be broken until I see you and my Momma again. Hold her tight for me and she will hug you right back. Till we meet again my sweet Ian and Godson.
Love, Nina*
