“ I worked with Jacob in 2000 in West Jordan. He is one of my favorite people of all time. He was so funny. I just found out today that he passed 4 years ago and I'm sad he's gone. I was happy he had been able to move back to St. George and be near family. I know he loved them. Goodbye Jacob, I mean Tom Cruise....you will always be one of my favorite people I ever knew ❤️

See you when its my turn, I love you so much.
