“ Ellen,
We are so sad to hear of the passing of Ed. He was one of my few truly 'great' friends, our friendship going back nearly forty years. As young men we had several incredible adventures together including working construction one summer at Bear Lake and making several crazy road trips up to Montana. While he was a rugged old bear on the outside, he was indeed a gentile soul on the inside that put his family first. He worked hard, played hard and served his fellow man well. We will miss Ed and look forward to the day when we can enjoy his friendship once again.

“ *I think I remember most about uncle Eddie was going camping when I was young and going to the air museum all those times. No matter how many times we went to the Utah Air museum I could not get enough of it, especially with uncle Eddie. This guy can turn any historical event into a great learning experience. I will miss you uncle Eddie and I pray for his family Celeste, Ellen and Andy during this time. Thank you for being in my life uncle Eddie and taking in my sister for a long time. My mom Terrie Freeman Meissner I know really misses her big brother and I pray that she finds comfort in knowing that you are resting well.*

“ *Hi Family,*

I am so sorry and sad for all of our loss. Eddie was and is a great guy. I think one of the things I will always remember him for is for his fun. With him, getting older doesn't mean growing old.

*Love you guys!

“ *Ellen I am So Sorry for Your Loss. Eddie was such a big part of the Freeman family and I remember the first time I met him was when Tammie and Richard got engaged. He and Richard hit it off immediately. Eddie passed away exactly one year to the day as my oldest son Aaron. I miss Aaron immensely but now I know He's not alone and I'm sure Aaron and Eddie will have some fun together. Tammie I'm So Sorry for Your Loss of Your Big Brother. He was bigger than life. He always made me feel welcome no matter where we were especially after my accident. I will miss Eddie and I hope that He and Aaron become good friends. I Love You Sis !!!
