

Jay Newell Frazier

November 23, 1941 - April 9, 2024

In loving memory of Jay Newell Frazier, who returned to his heavenly home on April 9th

2024 at the age of 82. Born in Marysvale, Utah, Jay's life was a beacon of faith, service,

and love. A devoted member of The Church of Jesus Christ of Latter-day Saints, he truly

lived by the teachings of the Savior, dedicating himself to building up the kingdom of

God on earth.

From his youth, Jay was committed to his faith. He embarked on a mission in Montana,

Wyoming, and North Dakota, laying a foundation of service and spreading the gospel

that would define his life. Throughout his years, Jay served in various callings within the

Church, his compassion and unwavering testimony impacting countless lives.

Jay's journey of love and partnership was shared with his beloved wife, Dorothy. They

were married in the St. George Temple for time and all eternity, marking the beginning of

a 57-year adventure together. Their honeymoon adventure took them up the Alcan

Highway to Alaska. In Anchorage, where Jay served in the army, they formed enduring friendships and began their family. The family's path led them from Hurricane, Utah, to Grantsville, Utah, due to Jay's job at the Tooele Army Depot. It was in Grantsville where they were blessed with three daughters, and where they built a community of lifelong friends. Eventually, they moved briefly back to Hurricane before setting down roots in La Verkin, Utah, where they welcomed a son, enriching their lives and family story.

Jay reveled in worship, fellowship, and the act of ministering to others, embodying the essence of Christian charity. His life was a testament to his dedication to family, community, and the Lord's work, leaving a legacy of faith and service for all who knew him to aspire to.

Though Jay's earthly journey has reached its conclusion, his spirit lives on, inspiring us all to walk in the footsteps of the Master he devotedly followed. Reflecting on Jay's life, from his beginnings in Marysvale, through his mission across states, to the loving family he raised with Dorothy, we see the lasting influence of a life led with purpose, love, and an unwavering commitment to faith.

May Jay rest in the peace and love of our Savior, Jesus Christ, until we meet again.

“ *A Friend in Need - I was on a camping trip with our Troop in the Narrows in Zion park. We had left our cars at the start and one car and the end to take the drivers back to the start to get their cars. When we got to the end of the river after a two day hike we were tired and very ready to get back to camp. The driver that was supposed to take the other drivers back to get the cars realized he left his keys in one of the cars at the start of the trail. We had no way to get back to the start and it was raining and getting really muddy.*

I called Jay and he dropped what he was doing and came to the rescue. He brought his truck and tow strap in case I got stuck coming out of the muddy ravine. He made sure to load up the back of my two wheel drive car with rocks for traction which enabled me to get through and out of the mud. He came back to camp and helped us cook a nice Dutch oven dinner for the boys and we had a good time.

Jay & Dorothy were also so nice to our family when we needed a place to keep our 8 kids and always treated us great by feeding us, taking us swimming, hiking, and horseback riding.

I always loved the way Jay and Dorothy treated others and showed them love and compassion. Both were great examples of Christ like love. We will see you on the other side. Thanks for all the love and support!
