“ Jay used to come to my store occasionally and previously I worked with him at the VA. I was thinking about him today, realizing that I hadn't seen him in a while. I searched and saw that he passed in December. I'm sorry to hear about your loss, Linda. Jay was always so cheerful and encouraging and always made me feel like a million bucks! I wish I could have just one more visit with him. I sure miss him. Sincerely,

“ I will forever cherish the times we've spent together. From teaching me how to swim as a child, family camping and playing sports in my teen years, or simple weekend trips to visit you and grandma. I can not choose which memory we share together is my favorite, because they all are. I love you dearly Uncle Jay, and I miss you everyday. Rest In Peace, my sweet Angel.
