

## Jennifer Lynn Hadley

June 7, 1975 - October 21, 2016

Jennifer Lynn Hadley (41) born June 7th 1975, daughter of Joe Hadley and Kayleen Wetzel Hadley of Cedar City, passed away on October 21, 2016, following a valiant battle with cancer.

Jennifer was first and foremost a mother to three wonderful children: Daylon 20, Ashlyn 9, and Mason 7. Not many people know that Jennifer is the birth mother to another boy who was selflessly given to another loving mother at birth more than 19 years ago. Growing up Jennifer was a beautiful energetic, head strong and independent little girl that always gave her parents a run for their money! Jennifer is known for her creativity and determination, when Jen became determined to do something nothing stood in her way and she always found a creative solution for any problem! Jennifer loved the mountains and the beach and visited those places whenever possible.

One of the things that always made Jen the happiest was helping other people, she did this even while struggling with her own difficult circumstances. Jennifer always believed in God and became closest to her Heavenly Father in her last days. Her closeness to God helped ease the unimaginable emotional pains that she dealt with knowing she was going to have to leave her children much earlier than expected. Jennifer was a fighter and beloved, daughter, mother, sister, aunt, and friend.

Jen fought fiercely to gain more time with her kids, family and friends. Although she has passed, she is still doing what makes her happy by watching over her loved ones as their guardian angel.

Jennifer is survived by: her parents Joe and Kayleen, her children Daylon, Ashlyn and Mason, as well as her siblings Kristy, Mike (Jocelyn) Scott and many other loving extended family members.

Jennifer's last days were made a little brighter with the help of her hospice nurse Ethan Bunker from Alliance Hospice and for that we will always be grateful!

A memorial service will be held on Saturday, October 29 at 11 AM at the chapel located at 638 Canyon Center Drive, Cedar City. In lieu of flowers please make a donation to an account in her memory for her kids. The account will be set up at Southwest Federal Credit Union.

KM

“Offering condolences to the Hadley family and dear friends who knew Jennifer. My prayers are with you all. James 4:8 states: "Draw close to God, and he will draw close to you." One way to come near to God is through prayer. The apostle Paul admonishes us to "pray constantly". Even if we have to struggle to put our feelings into words, God certainly understands how we feel.
