“ Joan was my friend since I was a small child. I remember feeling safe walking home by myself, because she was near. She always was interested in me and my family. She always was smiling and always kind. She will be missed. I'm sure she's having a great reunion with her Moma and Dad.

“ I will always remember the tender, loving things she taught me about life. I loved her welcoming smile, her love for a good ride anywhere and her never ending faith in God.
