“ *Sweet Miss Joan was a model of grace, kindness and love. I have special memories of lunch, dinner and Tuacahn with the Golden Girls. Her smile was infectious and always a kind word. Prayers to Jodi and her family that they might find peace. Our Mothers are special and will always live in our hearts.*

“ *She was always smiling and so kind. You could not help but love her and feel warmth, when she was present. Her daughter, Jodi is just like her! My thoughts and prayers are with your family, it so hard to lose a love one, especially a Mom. May you always remember her smile and that she rests in peace and was loved by many.*
