Special thanks to

John Goodman for serving his community as the owner of Southern Utah Aluminum in which he started in St George Utah in 1977. He was a joy in the neighborhood bringing laughter and childlike excitement to all those with whom he came in contact. He loved his small town roots and was passionate about his family and those he considered his people. Family was everything to John, he loved watching his grandkids catch a fish or bringing them donuts on Sundays. There was never too little time for a birthday party or a ball game. John made his friends feel understood and accepted and he celebrated the success of others. John will be dearly missed by his friends and family. If there is anything that John would like to leave with his community it's that a big smile, and some friendly conversation goes a long way.

“ *Dear John*

What a wild ride we had. I'm so glad we did it together. I will remember the good times fondly and look for you in the faces of our children and grandchildren. We will miss you at the ballgames and family events. You will be sorely missed by all. You will always be in my heart. Much love Athella
