“ I remember the day he came to the pharmacy I managed in St. George and we talked about my need for a relief pharmacist. He said his son, David, was here in town and could I use his help. What blessing that turned out for me and David. I was so impressed by Jack and found David to be the same. My sincere condolences to the family. I often thought about those years and my association with Jack and David with fondness.

“ My Dad, was a member of Bloomington Country Club for more than 30 years. We had lots of fun there with Dad, Grandpa, swimming and family meals. Dad was an accomplished photographer. We had such fun showing those Super 8 movies he took all our lives to our kids and their kids. He grew beautiful roses for Mom. Love you Dad, Always. Your daughter Janie
