“ *Carol and Family*

We are truly sorry for your loss. We loved this man. It was impossible to not be touched by his sincere contribution to our lives as a friend and coworker.

As said earlier this week; the Geneva Pipe family lost one of our great gems. He always had an encouraging word and a willingness to help anyone who needed it. Joe's memory will serve as an example forever that friendship is to be treasured and appreciated whether coworker, vendor or customer, he cared and he sincerely showed it everyday. Joe loved our customers, he was the best salesman possible to those he delivered our product to. He drove the most beautiful rig across Utah safely. I'm not sure what he shined that Kenworth with but I'm sure it included plenty of elbow grease, love and appreciation for what he had to work with. He truly loved his truck and his job!

We will miss you Joe and Carol thank you for sharing him with us.
