*I had the pleasure of getting to know Josh while being his nieces nanny. Josh was always so happy and kind. I loved seeing him with her. He would often shower her with kisses, and love every time he left to school and returned home. He enjoyed being an uncle and it was beautiful to see.*

*The memory I have of Josh is when him and my son Julio and Jay when they were out chasing skunks. They came into the room and they just smelled really bad. Poor skunks got terrorized but it was funny and gross...boys will be boys. So many memories and laughs as they played on the trampoline at mom Hopu and Berry's house. He played a big part of their childhood and their transition at toquerville. So many memories that I will cherish. Rest In Peace Joshua*
