“ Selinda, Kendall and Rea, Laurie, Vickie and Kim, and all the rest of the family, I am so sorry to hear of your mom's passing. Just read the obit on Facebook at noon, or I would have come to the service. I loved your mom. She was always so kind to me. David also sends his sympathy, but is out of town working. Lots of hugs and sympathy, and prayers, and whatever else you need to get through this. Gonna miss her smile. Love, David and Marla Gledhill

“ I can remember living with my Aunt Joy at the start of my junior year of high school. She taught me alot including never stay out past my curfew. One night i was walking home and of course i was late. Anyway i am halfway home and she jumped from behind the bushes at me and my friend Sara (who was walking with me). We must have screamed for a whole minute. I will always love and miss her. Gayle abrameit.
