

## Judith A Cretors

October 7, 1937 - July 6, 2019

Judy Cretors passed away on July 6, 2019, in St George, Utah. She was born in Chicago, Illinois, on October 7, 1937, to Kate and Paul Hassett.

After several years of living in Chicago, her dad was transferred to New York where she spent all of her grade school years. Again, her dad was transferred back to Chicago where she spent her high school years in Crystal Lake, Illinois. She left Crystal Lake to attend the College of St Teresa, Winona, Minnesota, where she earned a degree in Education. Then it was on to California to teach for 33 years in the San Bernardino school district. It was there that she met her future husband, Dick Cretors, with whom she spent almost 40 wonderful years of marriage. When she and Dick retired, they came to St George. They met some great friends and loved the slower paced living.

Judy was an avid golfer and enjoyed golfing and holding officer positions at Bloomington Country Club and Dixie Red Hills. Judy was preceded in death by her parents, two brothers, Mike and Dick Hassett, and her loving husband, Dick. She leaves behind two stepsons, Todd Cretors (Kellie) and Kurt Cretors (Sharlee); two granddaughters, Jordan and Kasey Cretors; two nieces, Cris Meyers and Katie Johnson; along with her many wonderful friends.

Services will be private. Arrangements and memorial tree planting entrusted to Serenity Funeral Home of Southern Utah.

The family wishes to thank Kimi, the Social Worker, in the Emergency Department, the staff at the Retreat at SunRiver, and the Intermountain Hospice team, especially Craig and Jody.

“ *Judy was a dear friend from our high school days. We moved to Crystal Lake the same week and shared many adventures . Judy and I lived together for two years in San Bernardino, when I was a speech therapist in the school system and she was a 5th grade teacher. We worked backstage for the Civic Light Opera and did a bit of partying after the performances.*

*Judy had a wonderful sense of humor and I would gladly have followed her lead anywhere. We survived any tough times together and enjoyed so many good times.*

*Her family meant the world to Judy, as did her friends. She was loyal to all and maintained relationships through the years. Her birthday cards were original and hysterical.*

*I will miss her forever and am so grateful for my memories.*

“ Judy always had a smile and laughed easily. A fun person to be around and always considerate of others. The world has lost a wonderful lady.

“ We first met Judy when we moved to St George West Springs HOA about 25 years ago. She and Dick were wonderful neighbors in friendly neighborhood.. They were always up for the clubhouse pot lucks, sharing golf stories, and worked hard on the occasional fund raising community yard sale.

*Later, I got to know Judy better as she served on the HOA Board. She had a calming influence, great ideas, and a welcome sense of humor.*

*I will miss our daily walks - but not on Sundays - as we passed the time in interesting conversations.*

“ Judy and I first met in 1951 at Crystal Lake H.S, and we have been dear friends ever since, attending the same college, Not only that, our parents were also good friends which was very supportive of our fun! She bought her older brother Mike's car when he left for college and I bought my brother's 1938 Dodge when he left for college; these similarities are amazing. When I was leaving the country to do a tour of duty in Danang, Vietnam in 1968 as a Navy Nurse, Judy took me to plane as off we went, in fact she also when up the jetway to go with us.

Over the many many years we have kept in touch, visited one another and attended her wedding to Dick Cretors in Las Vegas. It is with great sorrow that she left this earthly life and I will miss her forever and pray that happiness will come to her in buckets!

Farewell

my dear friend....
