“*Danene (or julie) was my grandmother. I loved her so much and was devastated to see her go. The picture i have put was from my cousins' birthday party a few years back. I was painting the kids' faces and grandma said she wanted to be a cheetah. She looked so happy to see herself in the mirror. I will never let go of that memory. I think of her all the time and im glad i got to keep a little part of her in my heart.*
