“ I was on vacation this summer and I just found out about June's Passing.

She was such a sweet and pleasant person.

I have worked with June since 2011 and have always enjoyed the time I was able to be there to assist her as her Tax Advisor.

I will miss her smile and warm personality that she brought with her into my office each time.

All of us at The Tax Guys will greatly miss June for all of the love and her kindness she showed to everyone in my office. Staff and Clients alike.

My sincere condolences and prayers go to the family and friends of June.

“ My condolences to Tara, Chris, Julie, and Susan. Your mother was a wonderful woman who was kind to everyone. I'll never forget how "seen" I felt in her presence. She was genuinely interested in everyone around her.

Grief maps love, and I wish you all well in the journey ahead.

“ To Chris, Tara, Julie, Susan and Families, Pam and I pray the Lord will bless and comfort you all during this time of loss. His love and June's, will surround you in the coming days. Find strength in the knowledge that June is now at peace. Aunt June always gave me the same feelings of Love that Grandma Artie did and we all know that glow, It was just her nature. She will be missed by all of us.

“ June was one of the kindest and smartest women I have ever known. She let me stay with her as a teen and she helped me so much at a time when I needed someone like her in my life. She was one of those people who made everyone feel good about themselves just by being around her. I admired her intelligence and character so much. We shared a love of reading and history and she gave me many good book recommendations. But her kindness and compassion for others is what truly stands out about her, she always had a kind word and pep talk for me and anyone else who was lucky enough to know her. She has gone to heaven now but the impact she made on me and so many others, lives on. Rest In Peace dear June.

“ June and I worked together from 1983 -1986 while I lived in Las Vegas. We became friends instantly! We both loved KFC and shared our lunch hour many days. What a blessing she was in my life while I was so far away from my own Mother. I will always cherish our friendship. I am praying for her precious children and grandchildren.

“ Nomatter what was going on, my Aunt June would always get a big smile and say "Well hello Mitchell" and give me a bear hug. I remember having dinner with the family in late 2003 or early 2004 after starting my job at Nevada Test Site. I was living in Las Vegas with my family still at our Colorado home. It was so warm and comforting to be with June, Ted, Julie, and Susan that evening. Peace to Chris, Tara, Julie, and Susan, and the rest of the family. In this time of unexpected loss, it is difficult and painful. May God help you each day to find a bit of comfort, space for good memories to return while others fade away. We pray your journey through the seven stages of grieving give you relief, and quickly, you find peace again.
