“ What an amazing woman she was. I only got to have her in my life for about a decade, but she left such an impact on my life. She was there for me when others weren't. She may not have given birth to me, but she was my mom and always will be. Her amazing heart will be missed. I love you mom. I'm sorry I won't make it to your service, but you will be with me always. 💜💜💜
