

## Kathleen Clawson Jeppersen Killpack

June 27, 1948 - February 26, 2022

If you are reading this, I am happily being reunited with family and friends on the other side of the veil. I left my earthly probation on February 26, 2022.

My wonderful parents were Lee Morris and Frances Romney Clawson Jeppersen.

I graduated from Olympus High School and attended Utah State University.

On June 18, 2015, I married the love of my life, Jon Killpack. Though our time together was way too short, they have been the happiest years of my life.

As a singer, world traveller, Soldiers' Angel, reader, genealogist and miniature Schnauzer lover, my life has been full of good things and great adventures.

As a faithful member of the Church of Jesus Christ of Latter-day Saints, I have a firm testimony of Heavenly Father's love and personal watchful care. Yes, miracles still happen. "God's Timing Is Perfect."

I am survived by my husband, Jonathan B. Killpack, four children: Cambria Sorensen, Brandon – whose love and support brought joy to my life – Justin, and Paul Hunter, 12 grandchildren, 2 great-grandsons ... and my precious fur baby Razzmatazz (Razzi) Joy.

I am also survived by my cousin Cathy Clawson Brady, who was like a sister to me. How grateful I am to have had her in my life to share adventures in childhood and to support each other in our old age.

Special love and gratitude to Traci Ann, Nari Shan, and Karen for making me whole. Adios mis amigas! Vaya con Dios til we meet again.

# Tribute Wall

PM

“ Kay was a special person. Beautiful on the inside as well as the outside. Never boisterous but calm & angelic. Never saw her without a pleasant smile. Always loved her silver hair! I will miss her.

CC

*I will miss Kay. She always welcomed me with a big smile with Razzi leading the way. She invited me to write letters with her to the soldiers. One day she covered me with her purple weighted blanket while we together decided if it would ease our aches and pains. Kay worked on family history and loved her family she discovered as she did her research. I wish everyone could have known Kay's warm and happy personality.*

*My sympathies to Jon and Kay's family.  
Claudia Crawford.*
