

Kathryn Ramirez

May 5, 1988 - December 11, 2021

Katie was born on May 5, 1988, in Duarte, CA. She resided in Rosemead, CA area most of her life until she moved to Hurricane, UT.

As everyone knows Katie's life revolved around her two boys. She did everything she could to make their life as wonderful and amazing as possible. She always wanted to make sure that they were happy and always had a smile on their face. When she wasn't working, she would be at home cooking and baking for her family. She loved to cook and bake with not just her boys but her oldest niece Amber aka her princess. She loved to see the joy on people's faces as they tried her food and what she could do to make it better next time.

Whenever the cold weather hit you could find her either cuddled up with her boys and her mom watching movies and drinking hot chocolate or tea or snuggled up with a good book.

Although Katie loved her little quiet life in Utah everyone that knew her knew that her favorite place in the entire world was the beach. She always said how she felt so calm and at peace while she was at the beach. Every time she would visit her family in California, she made sure they would go to the beach (no matter how cold). She wanted to make sure that her boys got to experience the beach as she did. The siblings, the nephews, and nieces

would get together and have bonfires and make the memories that we will always have.

We want to thank you all for coming to celebrate the life of our loved one. There are so many memories that we all have with Katie and so many more we would love to share. We will all miss her joy, her laughter, her beautiful smile, and the love she shared with everyone. Thank you for helping to carry on her memory today and forever. We are beyond blessed to have known her and to have had her in our lives one way or another.

Katie passed away too quickly on December 11, 2021, at the young age of 33. She is survived by her two boys Jonathan and Christopher, her parents, her brothers, her sisters, nieces, nephews, grandma, aunts, and uncles.

“Katie was one of the sweetest girls (grown up into a beautiful and sweet lady too) I have ever known. I met her and her dear mother when they moved to Hurricane and had the opportunity to visit her and Chris on a monthly basis. She LOVED her boys with all the love a mother can give, and only wanted the best for them. I will miss her greatly, and pray that these sweet boys will get to stay together and be raised as brothers. My Mom died shortly after my birth, and us four little munchkins were lucky enough to have my grandparents adopt and raise us. I will forever be grateful for their sacrifice and for the state for letting this happen. I can't imagine life without each other that helped get us through this tender time. My love and prayers go to all the family. I am going to miss Katie so much. Love, Becky Wheeler Hugs:(
