Kathy and I shared the joy of having our gorgeous baby girls in the same month 20 years ago. I lived next door to her in laws at the time and saw her often. She enjoyed being a mother and always had a smile on her face. To her gorgeous family and husband what a blessing to have had her in your worlds as long as you did. I am sure you made her short life such a wonderful one. I am confident that she will always be with you in spirit smiling down on you cheering you on until you meet again. Lots of hugs to you all in this difficult time.

I can remember being a child at a family reunion with Kathy Jo and playing on a rock hill with her and Kendal who has also passed on, and feeling so much love and fun with these two cousins. I love them both and miss them. From Allison R. Eagar Hall

“ I did not know Kathy Jo, but heard of her passing when a friend of mine posted about it on Facebook. It sounds like she was a wonderful woman, mother, and wife. My heart breaks to imagine what her children and family are going through. I am so terribly sorry for your loss and pray that God will wrap all of you in His arms and ease your pain.

“ I was privileged to be Kathy's third grade teacher at Santa Clara Elementary. It was my first year of teaching and I truly loved everyone of my students. Kathy was such a fun loving little girl with a love for life that I will never forget. When we were preparing for our dance festival I let the students write down who they would like for their partner and Kathy wanted Scott Nobis and then I read Scott's and he wanted Kathy so I let them be partners. Much later in life I ran in to Kathy as a waitress and we both looked at each other and then I said are you Kathy Eager, and she said, are you Miss Taylor? I think we were both impressed that we remembered each other. It was so great to become reacquainted with her once again. My thoughts and prayers are with your family at this time. I will always remember my cute third grader, Kathy Eager!

“ There wasn't many more beautiful on the outside as Kathy and for sure there werent many as beautiful on the inside as her either. My heart breaks for her dear sweet children, and her husband that she cherished. It showed in her face when she talked of all of them and looked at them. I will miss her terribly, although we didnt chat regularly we always greeted each other with hugs, and I will always remember her with the fondest of memories. ?????

“ I believe Kathy really WAS one of the true, sweet good ones we so rarely find. I hadn't seen her in many years but loved reading her posts on FB. It was clear that her family was her world. I am saddened that I won't be able to make it to her services to pay my respects because I am currently in Indiana. She will, however, be in my thoughts and prayers, as will her family. I believe that this beautiful, kind woman truly IS now "Dancing With The Angels"! Rest in peace, sweet Kathy.

“ I only wish I could have gotten to know Kathy better. We were introduced by our husbands who happened to work together and all went to dinner and the time that I spent with her I knew right away she could become a good friend. She had this sweet and kind spirit about her and she made us all laugh. I thought she was adorable! I'm so sorry for your loss Trask and her children and family. Our thoughts and prayers go out to all of you! Collin and Trish

“ I met Kathy when my family moved from St George to Santa Clara when I was in 3rd grade. She was one of the first friends I made at Santa Clara Elementary and I truly enjoyed her friendship. I always remember her birthday was 2 days before mine and we shared a lot of fun times together while I lived in Santa Clara. As often happens my family moved again and we had not kept in touch but had reconnected on FaceBook the past few years and I really enjoyed her posts and what a fun loving, family oriented person she was. I am shocked and so saddened by her passing and my heart goes out to her husband, her children and all of her loved ones. I sincerely hope you are able to find peace and comfort in knowing she is no longer in pain and that you will see her again someday.

“ Kathy was such a wonderful friend and neighbor. I didn't get the time we needed to really build the great friendship that knew we could have had. I am so completely heartbroken of her passing. I hope Brooklynn and my daughter Jacyn will continue to be great friends for years and years to come. I love the Johnson Hafen family and pray for them to have the strength to weather through this difficult time.

“ I have so many memories of Kathy! The very first one that I can think of is When Clint brought me to meet his family on Thanksgiving Day 15 years ago. She and I hit it off and she told me that she approved! The last memory before she became ill is when we were playing games in her home with her kids. My kids were jumping all over her and she was loving every minute of it! She squeezed them tight and told them she loved them. Kathy was a very generous, fun loving, sister in law! She will be missed.
