“ I adored Kelly. She was such a friendly joyful person. I loved her very much. She lived in our ward for a bit and I got to know her quite well. Sincere condolences.

“ I was stunned to hear that Kelly had passed away. She and our daughter Jill were the same age. I remember a whole group of little girls in our Stewart Ranch Ward, who giggled, and had fun like they all do. Our sympathy and to Kerri, Vicki and the family at this sad time.

Thank you Scott and Peggy. Kelly fought breast cancer for 2 1/2 years. It eventually invaded her whole body until it shut down her organs. She never gave up the fight and was always positive that she would beat the cancer beast. We are heart broken and miss her every minute of every day and night.

“ I didn't know Kelly Sue personally only from her Facebook posting. However Kelly showed me that it doesn't matter over the miles how close you are it's what's in your heart. Kelly was so such a brave, strong, & spiritual person as well as a fighter. Her will to live was so powerful. Kelly has gone to her final home with no pain, no worries . she is at peace now in a beautiful place that we will all see someday. There is no doubt in my mind that she is a beautiful angel watching over all her loved ones. If you are walking or sitting outside someday & see a beautiful rainbow, a white feather, or look up to see beautiful fluffy white clouds, that is your Kelly Sue letting you know she is in your heart ,watching over you & she is ok. Kelly Sue I truly love you for making me stop & "" SMELL THE ROSES".
