“ My deepest sympathy to Ken's family and friends. I met Ken when he worked with me at Wasatch Mountain State Park. He was a dear friend to everyone who worked with him. There was nothing Ken could not do to fix or repair anything. His work was always perfection. My son, Wes, worked summers with Ken. Ken taught Wes and James incredible work ethics, and they had fun doing it. He was a kind teacher and a kind friend. Looking back, it now seems that we laughed all of the time at work. I feel so lucky to have known him. Rest in peace, my sweet friend, and thank you for all you taught us.

“ We just found out today about the death of our friend and neighbor in Midway. What a great man he was. Roy and I had the privilege of visiting Ken and Carol quite often over the years. We moved to Southern Utah almost 6 years ago and we lost track of an address and phone number for him.

We want the family to know of the love and respect we had for your father. You will miss him dearly. May you receive comfort and peace in the coming weeks and months. Since we heard the news, we have been reflecting on some good memories of the Colovich family. May our Father in Heaven provide you with good health, sweet memories, faith, sunshine and laughter, and most of all love.
