“ My deepest condolences to the family and friends of Kenneth White. Although I knew him for just a short time, he will always hold a special place in my heart. The vision of him doing his razzle dazzle will always bring a smile to my face.

“ Our deepest sympathies go out to the entire Ken White family. Glade always spoke fondly of Ken, he appreciated his work as a contractor and as a businessman. Ken had beautiful Morgans. Our time spent with the horses and at the shows with Ken are some of our fondest. The house above the stable was awesome! Your Dad was a remarkable man with many talents. He will be remembered for his gentle demeanor and kindness. We wish we had known Ken was in Southern Utah, it would have been nice to catch up.

*Sending you our love during this difficult time,*
