“ *Our dearest friend Bert,*

We are all so grateful to have had you in our lives. You so generously shared so much love, joy and laughter and we will keep you always in our hearts. So many memories throughout the years of Mexican BBQ's, experimental haircuts, teaching us city girls how to feed the cows & horses, singing at school recitals and making dad laugh and so many more. Our deepest sympathy goes out to all your family & friends as we grieve your bright presence leaving this earth even though I am certain it will shine in us all until we meet again.

Ke Akua pu a hui hou, me ke aloha pumehana,
