See you later

Calming waters fills my mind,

For I know you're in heaven.

Though you left this earth too soon,

I trust God has a greater plan.

Your journey here is over now,

You're free from pain and sorrow.

Yet your memory lives on

In the hearts of all who knew you.

This is not a forever goodbye

It's simply

See you later.

“ I became friends with Kevi at work. She was one of the smartest people I knew, and the go-to on many projects. After retirement we traveled to the Oregon Coast. Kevi insisted on driving vs flying so she could bring Chester, and he sat on my lap all the way there and back. RIP Kevi.
