“ Lara and I were friends while living in Burley. My husband was working at Simplot's with Lance. We would get together at each other's houses, our kids played with each other. Lance and Lara had Colton around the same time my husband and I had our daughter, Christa. We all would go on outings together, we really liked going outdoors and having picnics with our children. My heart is sad that Lara has passed away, my thoughts and prayers are with Lara, her children, and family. I pray that you all will find peace and comfort during this time. I know how much she loved her family. ❤️
