Tribute Wall

“ *LaRue, you were always so kind to me. I remember that you had a dream about me as an 11 year old. You said, I was floating on log in a stream and the water became dangerous and white. I held on through all the craziness, and then the water became peaceful and I fell off. The Savior came, and picked me up and carried me to safety. I've never forgotten that dream, or your kindness and love. Please give Joseph a hug for me.*

*Much love to you,
Victoria Loveland*
