“ *I first met Larry when I came down to Thousand Oaks for Craig and Kristy's wedding. Craig and I are good friends from BYU. From the moment I walked into their home, Larry made me feel like I had been a part of their family for years. It was an amazing weekend full of fun and laughter. I really could feel the Lord's spirit anytime I was around Larry. I would see him one or two more times afterward but will always cherish that weekend in So Cal. Our thoughts and prayers are with Nancy and the entire Bagby family. God Bless an amazing man who is smiling down on us all from Heaven.*

“ *I was so saddened by the news of Larry's passing. A more cheerful and optimistic man I have never known. An immediate friend to all strangers who met him. A brother to us in the Thousand Oaks Stake. Musically talented and, better yet, willing and eager to share his talents upon need and request (and sometimes without request!) A good bishop. A devoted and faithful missionary who influenced countless lives. I am so sorry for the heartache the Bagby family is going though; but I know that your faith will sustain you and the warm memories of your husband, dad, and granddad will give you comfort till you meet again in the beautiful place where he is now actively engaged in good works, just as he was through his entire life; His was a life well lived. He was loved and will be missed by all who knew him....*

“ We are sadden with the sudden loss of Larry. We have known and loved Larry and the Bagby family. Our families have crossed paths many times when they lived in the TO Third Ward. I have always admired his boundless energy. He was a man on the move. I too recall the many times he shook my hand and sincerely said, "sure Love you." We will missed him but our lives are better because of him. We pray the Lords peace to rest with his Family. Jeff and Karen Sycamore Thousand Oaks CA

“ I just saw Larry at a live performance on August 15, 2020. I fully expected to see his vivacious smile again before the year was through. We met in Thousand Oaks while doing some missionary outreach in that area 22 years ago, but his fame preceded him; Larry III and I met in college and served full 2-year missions to Argentina and Colombia, respectively, and my then-single mother raved about Larry's musical chops after returning from a singles function he performed for.

He was kind, energetic, friendly, outgoing, and looked everyone in the eye with an authentic smile. He loved Christ, and that love allowed him to love everyone else. He was anything but a "Nowhere Man", but I loved hearing him play it, alongside his son, just two months ago. He could MILK the accordion! I'm guessing he's putting harps in cloud storage and plugging amps in now....

Video I attached was shot when my shoulder was in a lot of pain, and the house was crowded, but you can hear the enthusiasm behind the mic'.

Until we meet again, may God be with us, as you certainly are with Him.

“ Larry was the first person who greeted us in the summer of 2018, when we first walked into the Sienna Hills Ward. We felt loved immediately because of Larry’s warm and generous greeting. We enjoyed talking to Larry and hearing him share his great testimony of the gospel of Jesus Christ. The light of his spirit shined through in every word and action. Heaven received a great soul in Larry Bagby. He will be sorely missed.

“ One of our first weeks in TO 1st Ward was the Christmas party. Larry was the MC and went from table to table caroling and having us all sing along. His beautiful voice and shining personality made everyone feel like family. Best Christmas party ever!

“ He was Bishop when I was a teenager. I remember him really being a part of our group! He took an active interest in sharing his love as well as the love of our savior to others. one of my favorite Christmas memories is going caroling with the young men and young women group and he showed up and joined us with his accordion. The one and only Time that I ever went Christmas caroling with an accompaniment :-)
You could always feel his genuine love whenever you spoke to him. He will be loved and missed dearly, but I can only imagine how ecstatic Heavenly Father is to have him home.

“ We are sending our love and appreciation for Larry Bagby our Bishop and friend. He is a true example of a charitable loving and loveable servant of Jesus Christ. He lives with his Savior now and we can expect he is closely guarding over his Nancy and the family they share. Oh how much we will miss him, but only until we see him again. Good bye for now our accordion playing friend, Bishop Bagby.
