

## Leo Chenoweth

December 13, 1928 - October 31, 2017

Leo Chenoweth – husband, father and grandfather died peacefully on October 31st, 2017 in St. George, Utah at the age of 88.

Leo was born on December 13th, 1928 in Salt Lake City, Utah to Jessie and Hattie Chenoweth. He graduated from East High School and started his career at Wheeler Machinery Co. In the 1950s he served his country during the Korean War. After returning home he went back to his love of mechanics at Wheeler Machinery Co. During this time he found his passion for flying. He shared this passion with his children and often took them out flying on the weekends. He retired in 1994 and went back to his favorite passion of all, his family.

Leo is survived by his wife, Cleo Chenoweth; his son, Mark Chenoweth; his son, David Corder; his son, Steven Corder; his daughter, Beverly Henry; his granddaughter, Morgan Corder-Bass; his granddaughter Ariel Chenoweth and many more extended family. He is preceded in death by his daughter, Michelle Holladay; his parents, Jessie and Hattie Chenoweth and his sister, Wanda Chenoweth.

A laconic and often even a charming man, the two things Leo never lacked were affection and a good punch line. His sons remember their father as the one who carried them up to bed when they had fallen asleep on the couch

and who encouraged them to try new things-like leaving the house and never coming back. He was good with his hands and known to make toys, metal sculptures and walking sticks for residents of the neighborhood at no cost.

Leo will be remembered for his wit and his curiosity, as well as his habit of having to be the handyman and fix everything himself. He loved mechanics, planes, and his family most of all.

A private funeral service was held by the family, and a grave side service will be arranged in the spring of 2018. Condolences and requests for more information can be emailed to [leodchenoweth@gmail.com](mailto:leodchenoweth@gmail.com).

DC

“ Leo was a strong minded man, but in the long run that was a good thing.

Leo and I went shooting the guns a year or so before his passing and he was still a good shot, he was really good with guns. Rest in peace Dad.
