

Levi David Snow

April 9, 2020 - December 14, 2023

Levi David Snow was born on April 9, 2020 to loving parents Jonathan and Brianna Snow in Cedar City, Utah.

Levi was pure. His happiness and laugh radiated throughout his body. It wasn't hard for Levi to make anyone smile. Levi was the best big brother to Lincoln and his future baby brother. He enjoyed his days snuggling, taking warm baths, and watching Mickey Mouse Clubhouse with his brother. Every night he loved falling asleep with his binky in his mouth and his stuffed sloth against his cheek. His favorite activity was kicking his legs outside while enjoying the fresh air. Levi liked going on long walks in his wagon and riding the train at the Tonaquint all-abilities park. Levi loved balloons and lady bugs and his favorite treats were suckers and cotton candy. Levi was known for his thick brown curly locks, blue eyes and long eyelashes - this caught the attention of many!

Levi's life was not without adversity. Before birth Levi contracted cytomegalovirus causing cerebral palsy, vision loss, and many other challenges. Though he had more than his fair share of physical hardships, Levi's spirit was perfect in every way. In Levi's short life, he left a big impact on the hearts of friends and family. He taught us how to find joy in the journey, and to keep smiling and laughing during difficult times.

Levi returned to his heavenly home while in the arms of his parents on December 14th 2023 in St. George, Utah

In lieu of flowers, the family requests donations to be sent to Primary Children's Hospital in Salt Lake City, where Levi received the best care in the world. The family would like to thank his care team at Primary Children's, his hospice team, as well as family and friends that have been a huge support over the last three and a half years.

Levi is survived by his parents, Jonathan and Brianna Snow, as well as his little brothers, Lincoln and soon to be baby Snow; grandparents, Brian Wagstaff, and Mark and Julie Snow.

A viewing for Levi will begin at 11:00 am on Friday, December 22nd followed by a Celebration of life at 12:00 pm at The Church of Jesus Christ of Latter-day Saints.

511 S Valley View Dr
Saint George, UT 84770.

The graveside service will be held at the Tonaquint Cemetery immediately following the Celebration of life.

“ He was such a sweet spirit that graced our ward for a short period of time. I had the privilege of sitting with him for a short period of time during sacrament meeting once while his mom stepped out with his little brother. I loved talking to him and rubbing his little hands and cheek. The Spirit was very strong with him. He really touched my heart. Sending lots of love to his family. They are amazing

“ We sure love this perfect little boy. Levi has filled our hearts with so much happiness over the past year and a half. His love for life was evident in his infectious smile. I'll never forget the first time we met Levi. He showed us that a gtube was nothing to fear as our little one got ready for hers. His mama gave us the courage to make hard choices because we saw how Levi was thriving! We loved our time as PICU neighbors last Christmas. And although we didn't get to see him as much as we would have loved (medical family life!) we loved each and every interaction we had with him. Levi, I'm so glad that Lily has her best buddy to run around heaven with! We love you!
