“ *What I remember most about aunt Jean, she was always very loving very kind and a very genuine person, she had so much love to give to all those she knew , she loved The animals so much and took such good care of all whom she loved. She now can rest until God resurrects her to life again but in a perfect world with no more sickness or death. Revelation 21:3-4:heart:*

“ *Mom, I love you and will miss you so much. I will miss talking to you, but I have happy memories. I know I will see you again. Remember when I use to call you "my mommy" and you would get mad at me, but you are my mommy and always will be. You will always be in my heart.*

“ *A beautiful, caring, and kind mother-in-law. She loved animals. I remember one time when Linda, her, and I was coming back from Arizona and she saw the cows in the pasture and said, "Oh look at the cows, aren't they the most beautiful animals." She had a good spirit and will be missed.*
