

Linda Ann Hughes

November 14, 1945 - March 14, 2021

Linda Ann Hughes, lived her life full of love, kindness and laughter. She left her coat here as she traveled on March 14, 2021 to meet with family and friends that went before her. There are too many to name, but they will all be excited to embrace her, especially her big sisters and brother. (Along with her high school sweetheart, Kit Enniss and the love of her life, Gary Bryant who she couldn't live without...or with...or without)

Linda (Mumzie, Nanya, & Auntie) is survived by her daughters: Jaimie Enniss and Hollie Enniss-Poe, son-n-law Brian Poe; grandkids Ben and Jax; and many nephews and nieces.

Linda was born in Sandy, Utah on November 14, 1945 to Lila Curtis and Arville Marriott Hughes. She graduated from the University of Utah with a degree in Psychology and worked as a therapist with the mentally ill. She was able to share her love of art and creative abilities with those she counseled at The Holden House in Midvale, Utah. Linda was a talented artist using many different mediums, watercolor being her favorite. Family and friends have enjoyed all of her art, from "Doodles" to her masterpieces.

Linda was and will always be devoted to her children and grandchildren. Her smile made us know that her love is endless. Her humor lightened our heaviest burdens. Her hugs carried us when we felt the weakest. We miss her

everyday as she left us too soon, but she knew that we would never be ready for this day.

Although she wasn't religious, Linda was very spiritual, therefore A Celebration of Life is scheduled for Sunday, April 25th from 1-4:00 PM (open house) at Millennial Falls Event Center in Draper (12375 S 1300 E).

“ She was as good and kind and loving to me as any human I have ever known. She was generous and gracious. At a particularly difficult time of life, I had the chance to speak with her. She showed compassion and understanding, and affirmed that I was always welcome in her home because I was welcomed in her heart. I shall never forget all the times I spent with her, and they were many over the decades of my life. She was a good one, as are her daughters. I love you for loving me! <3 <3 <3

“ Mom, I cannot fathom this world without you in it. You have been an amazing mom who inspired me to always be my best and kindest. I find myself still wanting to bring you home my cookies from school, but I don't know how to get them to you now. Thank you for seeing me and loving me everyday.
