“ *So many memories growing up. I admired her artsy flair and craft making. I owe her a lot of gratitude for her work on our family history. Also remember how she loved to sing, when we were little. Thinking of all of you, during this difficult time.*

“ *Larry, Bryan and Troy: I am so sorry for your loss. Linda was a wonderful person. Carol and I have many happy memories of her growing up with us. We were very close as cousins. I admired many things about Linda and I will always appreciate her working with our cousin Betty in Florida and putting together the binders of our family history and passing them out at our Laughlin reunion. I will miss her very much, but I know we will all see her again.*

“ Linda was so thoughtful, she always thought the world of her two uncles Lee and Paul. In this picture she was presenting Dad with a "best uncle" Award at a family reunion. Paul got one too! I always thought that was such a sweet thing for her to do.
