“ *It is with great sadness that we have learned of Linda's passing. Although we have not been in close contact in the last few years, the memories of many years ago are still alive and clear. Linda was very influential in my life, and I will always be grateful. Her infectious smile and laugh will be missed.*

“ *I loved being her ministering sister for 7 years! We laughed together, we talked a lot and even watched a movie together. I missed her when she and Lyle moved to Idaho, but I was so happy she was near her children. She is whole and well now in the presence of our Savior. We will all meet again!!! Until then May God bless Lyle and their family!*
