Santa Clara, UT- Lois Elizabeth May, age 80, was called home to her Heavenly Father on January 19, 2025. She passed away peacefully in her home in Santa Clara, Utah. Lois was a devoted wife, mother, grandmother, great-grandmother, and friend, who touched the lives of so many that knew her.

Born July 16, 1944, in Salt Lake City, Utah to Clifford Lee Woods and Selma LaVon Maxwell and raised by her mother Selma and stepfather Howard W. Taylor. She married and had 4 children with her first husband. They moved to St. George in 1983. They later divorced and during this time she worked diligently to pursue her career as a Registered Nurse. She graduated from Weber State University and Dixie College and started working for Dixie Regional Medical Center where she worked on the oncology floor for 27 years. She was loved by her colleagues and patients alike. She was so full of love and compassion. This was truly a divine calling. As she was finishing school, just before graduation, she met the love of her life, Lindsay Eugene May. They married on Nov. 03, 1990, after running off to Vegas. They were later sealed in the St. George LDS temple. They shared 34 years together filled with love, laughter, and many cherished memories.

Lois was a proud, loving mother to her 4 children. Son, Marty (Annette) Andersen, Sheri (Scott) Andersen, James (Kristal) Andersen, and Larissa

(Jon) Chapman. Her pride and joy came from her 8 grandchildren, Matt (Jerrika) Andersen, Tiffany Andersen, Ben Andersen, Bradly Andersen, Ethan Andersen, Gage (Ashley) Chapman, Hunter Chapman, Brayden Chapman and two great-grandchildren, Luke Chapman and Milo Andersen.

Her family was the center of her universe, and she dedicated her life to their happiness and well-being. She always guided them with love, patience, understanding and endless sacrifice. Lois also found joy in fishing, camping, impromptu road trips, and vacations like trips to Disneyland with her children and grandchildren. She also enjoyed doing crafts and made a point of making special cards for birthdays and at Christmastime. She loved her family to no end and truly cherished every second she had with them. Her legacy of love, kindness, and dedication will live in the hearts of all those who were fortunate enough to know her.

“ Lois was the dearest friend I ever had. I worked with her for many years on the medical oncology floor. I learned so much about compassion, caring, and kindness from her example. Lois was an amazing nurse and teacher and her patients loved her. Her smile and sense of humor made some really rough shifts more bearable. I am a better person for having known and loved this amazing woman.

“ I worked for many years with Lois AKA “rump shaker” on the medical/oncology floor. We worked the night shift and we came to be dear friends. Lois taught me so much about nursing, if you ever need an IV started she was your gal. Lois was a very special nurse and friend and I will always remember her with a smile and be grateful for all she taught me. Love you beautiful lady!!

“ We will sure miss you, Lois! You were a delightful mother-in-law, the best I could have ever hoped for. You treated me like your daughter and were always so loving, caring, generous, and kind. You were always supportive of me and my family and helped out in any way you could. You made sure to attend all of your grandson Ethan’s games, performances, and school graduations. You made Christmas time so much fun for us with your homemade Bingo games, lots of homemade goodies, visits from Santa each year, and thoughtful gifts. I loved the intricate birthday and Christmas cards you made for us, along with the amazing photo album you painstakingly created. We always knew we were genuinely loved by you and we hope you felt the same. We will miss having you around. We will always hold our memories of you in our hearts and hope to honor your memory by loving others the way you loved us.
