“ *I first saw Lois at the Hurricane Senior Center and decided I would like to get acquainted with the quiet, lovely, well-groomed lady who sat across from me. I will be ever grateful that I did. We soon found we had a lot in common, especially a love of classical music and it was not long before we were trotting off to the Tabernacle to hear wonderful programs. She appreciated my attempts to play the piano for the seniors and encouraged and spurred me on Thanks Lois. I'll always love you and look forward to the concerts we'll attend in the future. “ *For my grandma from St george!*

If I were to share all my favorite memories of grandma we'd be here all night! So instead I'll share the feeling I felt when we were together! The feeling of Joy, Happiness and acceptance no matter what the current events were happening. I'll always remember the times we spent together making relish, going to the circus, doing work around her always well kept yard, setting up Christmas. Love you with all my heart!

You'll always be my Grandma from St. George
