“ *The last time we talked was before Thanksgiving and I asked who he was going to spend the Holiday with.. He sounded like his Mother and I told him he did, because he didn't want to offend any of his Children and go with one of them for the Holiday and slight the others, that was how his Mother was so you can imagine her delimma she had with 12 Children.. Then again he wanted to be near Linda so I guess he didn't travel much.. He went to the Cemetery everyday and I know he missed her terribly.. As we all get busy in December I hadn't talked to Louis but when I called I couldn't reach his phone and I am sorry I didn't get to say a final goodbye.. You probably rode your bike all the way to Heaven and GOD and Linda greeted you there, Linda laughing at you and saying"Lou you had to bring the bike?" Anyhow Goodbye Friend, I will miss our talks, love you.. Judy*
