“ I’m very sorry for your loss Bob. It looks like you were pretty lucky when you convinced Mary Anne to marry you.

“ Mary Anne was a really terrific person. We worked together in Rapid City, S.D., for several years and became good friends. We always kept in contact while she and Bob traveled the world. And they stopped to visit me in Dallas on several occasions as the decades rolled on. I'm hopeful we were finally able to convince her to root for the Dallas Cowboys. God bless you dear friend. Have a great flight to your heavenly home.
