

Michael Lynn Putnam

February 15, 1944 - August 26, 2023

Michael Lynn Putnam, a loving father and husband, died unexpectedly on August 26, 2023, at the age of 79, peacefully in the Saint George Regional Hospital.

Michael is survived by his wife; Juselin Putnam and his son; Michael Putnam (Ella Putnam). He is predeceased by his father Gordon Putnam.

Michael was born in Tooele, Utah, February 15, 1944, to Gordon and Martha Putman. He was drafted into the US Army in 1966 during the Vietnam War and proudly served two years as an 11H. On July 3, 2002, he welcomed his pride and joy and only child Michael Wyatt Putnam, who he named after his favorite cowboy Wyatt Earp. On June 20, 2014, he married his true love Juselin and spent the rest of his life with her.

Michael was truly what you could call an adventurer. He was a commercial pilot, a hallmark store owner, an influential business man, and was even once a millionaire and so much more. He, even a couple of time in his life traveled from Mexico to Canada on his motorcycle. He was a face of positivity ever during hard times and was always unapologetically himself. He will be truly and deeply missed by friends, family, and all those who knew him.

Some of the many small adventures Mike and Bill shared together driving around Southern Utah. Mike always liked to tell jokes and ask for a military discount at every place we stopped at. He maintained a positive outlook despite troubling health problems. He enjoyed having breakfast at Denny's, drinking coffee and talking where we solved the problems of the world. He was a good friend and will be missed.
