

Michelin Ann Penn

March 10, 1939 - September 25, 2016

Michelin Ann Penn, born in Buffalo, NY March 10, 1939. Her first love: cats. She also loved palm trees and the sunshine. She was a huge animal lover and would be there for anyone or anything that was in need of help. She would give you the blouse off her back. She moved to Las Vegas, NV in 2001, along with her 2 daughters and started working at the Lexus Dealership. This was a job she loved, working with co-workers she adored. She loved getting up for work every day. There could be ten things that went bad in a day and one thing that went good and she would have a smile on her face looking at that one good thing. SHE LOVED LIFE!

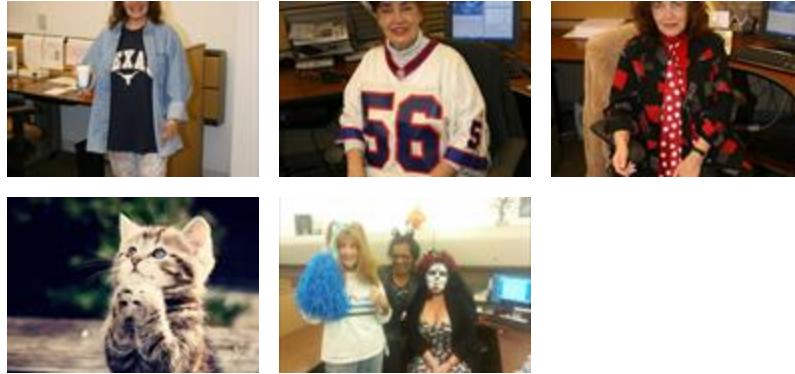

Dichele: On Sunday September 25, 2016 at 4:20 p.m. I lost my best friend, the best mom in the world and the most beautiful person "inside and out" I have ever known. I miss you with every breath I take and I love with you every beat of my heart. May you be in the arms of the angels discussing whats going to happen on Big Brother and Dancing with the Stars. There is such a void in my heart to think I will never hear your voice again or never hear you tell me you love me again. When someone says to me what a big heart I have, I say "Thank my Mother". It is because of you I am who I am and I thank you Mom. You will be forever missed until we meet again.

Dena: Words can not express how much I miss you, you will be in my heart and in my thoughts every single day. I love you.

ALSO a memorial will be held in Las Vegas in the near future for everyone to share their stories and love they have for my mother. Once the date is etched in stone, I will make sure everyone knows it.

I personally want to thank everyone that has contacted me to tell me how much my mom meant to them and how wonderful she was, the love you all have for my mom has really held me together. Believe me when I say, she loved you all just as much!

“ *I worked with Mickey for ten years. She had a big heart and her love of animals were absolutely great. She often talked about her kids, and visiting her daughter in Utah or meeting them half way in Mesquite for a weekend and time off.*

I am sorry for your loss, hope god brings you comfort. She is still here with us, everyday. Kathy

“ *I met Mickey on several occasions when my husband and I met Kurt and Dichele for lunch. She always had such a love for life - never without a big smile, and always interested in what everyone had to say. She will definitely be missed, but I know there were lots of fur babies to welcome her over the Bridge.*

“ I will miss my Buffalo Bills rooster and our trips to see shows on the strip and also our daily contact through e mail. I am so glad we connected back together after we went to our 50th high school reunion. You are one of a kind.

“ i first met Mickey at Lexus in April 2014. I instantly knew she was special and we became not just co workers but friends...She would always come to me for help with the computer or her phone and she always knew I would always help her...Since she left Lexus it really hasn't been the same without her..she always make me laugh because how silly she was..
RIP Mickey I love you and miss you so much
