

Michelle (Rieck) Todd

September 18, 1962 - March 9, 2021

Our dear sweet beloved Michelle (Rieck) Todd, loving daughter, sister, aunt, and friend passed away on Sunday, March 9, 2021 in Hurricane, Utah at the age of 58.

Michelle (Shelly) was born on September 18, 1962, in Salt Lake City, Utah to William G. Rieck Jr. and Francine (Barney) Rieck. She was a loving sister to Robyn Rieck and brother William C. Rieck, and a loving aunt to her niece Ashley Covington.

Shelly developed a severe medical condition at an incredibly young age that impacted her for the rest of her life. But it was her resilient spirit that gave her the strength, fortitude and courage that helped her through the many surgeries and treatments needed throughout her life to keep her healthy and free from pain. Through all of this she remained extremely independent and rarely asked for help. Although her life on earth was tumultuous, she was the epitome of grace under pressure. And we are grateful her beautiful soul and tender little body are now free of pain.

From the moment Shelly was born, her inner joy seemed to shine and lasted throughout her lifetime. Shelly was one of the sweetest, kindest, and most thoughtful human beings you could know, and she gave more than she received and was always quick to help friends, family, and even strangers. She was an artist and her gifts were often hand crafted. And Shelly had an amazing love for children and worked with them often.

Michelle is preceded in death by her ex-husband Michael Todd to whom she

was married for 35 years.
